

# Junior Leaders Backpack Training-2012

Camping and hiking are fun; developing the skills and learning safe and courteous practices are a necessary part of these activities. This most effectively occurs when it is the junior leadership in the Unit that provides the instruction.

The objectives of this training program are:

- to acquaint Scouts and Venturers with a basic understanding of how to plan and conduct outdoor activities.
- to give them information that they can use to teach other Scouts and Venturers safe and effective backcountry practices.
- to stimulate their participation and leadership in a High Adventure Program.

While the emphasis is on backpacking, it is generally applicable to all types of outdoor activity.

This High Adventure training involves a seminar and a weekend backpack trip (5-7 miles, roundtrip) to be taken in the local mountains and led by the LAAC-HAT.

- ❖ When: Saturday, March 10, 8:00 a.m. to about 4:00 p.m.
- ❖ Where: Cushman Watt Service Center
- ❖ Weekend trip: March 23 – 25, 2012. Each Scout and Venturer is responsible for obtaining the clothing, equipment, and food for it.

The training provides an overview of the basics: leadership; planning & preparation; equipment & clothing; menus & cooking; mountain navigation & travel; risk & safety; and winter camping – the necessities for safe and enjoyable outings.

The Scouts and Venturers that you list below for registration **must be 13 years old and have attained the rank of First Class or the Venturer equivalent.** A maximum of **four** Scouts or Venturers per Unit is permitted, unless prior approval is obtained. A fee of \$10.00 per Scout and Venturer is

charged for this training. **Registration is required by February 25.** Please have the Scouts and Venturers come with a compass, paper and pencil, and lunch – everything else is provided. Completion of this training is recognized by the award of a special patch. A syllabus that covers the materials discussed will be given to each participant.

Hike Aid 3, "Full Dimension High Adventure Training", has a complete discussion of the training programs of the LAAC-HAT. It may be purchase at the Scout Shop or downloaded from the Council website.
