**The August regular meeting of Crescenta Valley Heritage will feature a round table discussion about how to continue outreach with the local Armenian communities and work together on our mutual goals. Ani Armirkhanian, reporter and columnist for the Glendale News Press, and CV Heritage member Ardy Kassakhian have agreed to join the discussion. We hope to discover and nurture commonalities in our various views of how communities handle historic preservation and land use issues.**

**Plus current status of:  
the unincorporated La Crescenta-Montrose R-3 downzone study  
the Historic District ordinance changes in Glendale  
the effort to preserve Old Town Montrose**

**This meeting is free and open to the public.**
